Subject: 3001 regarding 3040

Hello Qualicum Schools District Board Members,

Could you please not change the Public Consultation Process (3040), at least until after the November 2011, Qualicum Schools District Board of Education elections.

Also, could you please announce that no decision about school closures will be made until after the November 2011, Qualicum Schools District Board of Education elections.

Please find attached a 3001 form about the 3040 form.

Thank you,

Warren Munroe
