State the Problem or Issue or Need

**Public Consultation Process needs to be at least 120 days  
All relevant information needs to be made available  
Temporary or partial closures must be included as options  
Consideration of public input must be fair  
Future growth in enrolment must be considered  
Proper statistical analysis of the methods and models used to estimate and  
forecast enrolment and population change must be done.**

Explain why there is a need for a new bylaw/policy or revision to an existing  
bylaw or policy.

**Unfair consideration of public input and inadequate opportunity for public  
input is in contravention of the the BC School Acts' School Opening and  
Closure Order**

**A poor information exchange and public consultation process results in poor  
decisions.**
