Hello Mr Munroe,

With respect to the book of documents it is 17 pages from beginning to end.

As for the meeting with Mr Ready on June 22, 2007, there was no recording made of the meeting and therefore no transcripts. When we requested these records the program area informed us there were no responsive records in regards to that section of the request.

Further information on how to submit additional FOI requests can be found at the Information Access Operations website and on their Contact Us page.

Cheers.

Hello Jennifer,

I've found the beginnings of the Book of Documents but I'm not sure where it ends. There is the title page, part way thru the package, followed by some documents that would naturally be in the BofD but do you know where it ends?

Also, I can not find the transcripts from the meeting on June 22, 2007 with the BCPSA, the Ministry of Labour and Citizens' Services and the BCGEU and an arbitrator, Mr. Ready. Are these being withheld?

I do have the address to write to in order to request what is missing but could you provide the email address please...and or website link?

Thank you very much for all your help,

William Warren Munroe
