Honorable Minister,

Congratulations on your appointment as Minister of Labour, Citizen Services and Open Government.

I am writing to you again to advocate the refinement, and verification of British Columbia's Official Population Statistics created by BC Stats, of the Ministry of Labour, Citizen Services and Open Government. See link below.

Also, I continue to seek resolution to the discrimination I was subjected to while employed by the Ministry of Labour, Citizen Services, as the Population Analyst for BC Stats from 2002 to 2006.

In reply to my requests for a resolution, MLA Ron Cantelon's office has provided the Ministry of Labour, Citizens' Services and Open Government "Guide To The British Columbia Labour Relations Code" wherein it states the Minister has the authority to:

"Make appointments of mediators, industrial inquiry commissions, and/or special officers to assist parties in resolving their labour relations disputes."

Please make appointments of mediators, industrial inquiry commissions, and/or special officers to assist myself, William Warren Munroe, the Population Analyst for BC Stats of the Ministry of Labour and Citizens' Services, and the Ministry of Labour, Citizen Services and Open Government in resolving the labour relations dispute.

Sincerely,

William Warren Munroe
